LINKS TO RESOURCES

- \textit{ERIC} (ED549123)
- \textit{AISHE} (2007)
- \textit{AISHE} (2005)
- \textit{HERDSA} (2008)
- \textit{ICED} (2008)
- \textit{SEDA} (2007)
- \textit{SRHE} (2007)
- \textit{EDIN} (2009)
- \textit{NAIRTL} (2008)
- \textit{AISHE} (2006)
- \textit{HERDSA} (2005)

TIP: Check your library catalogue via the web. The term teaching and learning and the term college teaching will bring up print on Teaching and Learning and popular e-books on the broad topic.

More details of publications available via:
- \textit{www.routledge.com}
- \textit{www.taylorandfrancis.com}
- \textit{www.sagepub.com}
- \textit{www.seda.ac.uk}
- \textit{www.srhe.ac.uk}

To keep up to date on conferences and participate in the dialogue around learning, it is useful to be aware of the following organisations.

- \textit{IRLAND}
- \textit{NUI MAYNOOTH}
- \textit{EDIN}
- \textit{NAIRTL}
- \textit{AISHE}
- \textit{ICED}
- \textit{SEDA}
- \textit{SRHE}
- \textit{HERDSA}

TIP: Check your subject librarian to find out what journals are available to you. Below are some key titles, which may be available online via your library website:

- Assessment and Evaluation in Higher Education (AISHE) (www.aish.org)
- Irish National Academy for Integration of Research Teaching and Learning (www.naitl.ie)
- UK Higher Education Academy (www.bgnc.ac.uk)
- The Escalate Subject Centre (www.escalate.ac.uk)

Talk to your librarian to find out what journals are available to you. Below are some key titles, which may be available online via your library website:

- Assessment and Evaluation in Higher Education (AISHE)
- New Directions for Teaching and Learning (Wiley)
- Teaching in Higher Education (Routledge)

Directory of Open Access Journals (www.doaj.org) provides free open access to a large number of scholarly journals including:

- International Journal for the Scholarship of Teaching and Learning (ITJL)
- Teaching and Learning in Higher Education (LTJ)
- Journal of Online Learning and Teaching (OLT)
- Journal of Scholarship of Teaching and Learning (JSoTL)
- Reflective Practice in Higher Education (RPHE)
- Learning and Teaching in Higher Education (LTHE)

TIP: Don’t confine yourself. General Higher Education journals and discipline specific journals will also include articles relevant to teaching practice.

SEARCH FOR ARTICLES

A database search will pull together all journals by a particular publisher e.g. Informaworld (Taylor & Francis) (www.informaworld.com) or journals from a variety of publishers in a specific field e.g. Academic Search Premier for Higher Education journals.

TIP: Check with your subject librarian to find out what databases your Library holds.

Databases covering higher education include:

- \textbf{ACADEMIC SEARCH PREMIER}
- \textbf{WEB OF SCIENCE}

Titles covered include:

- Teaching in Higher Education
- Teaching Science
- Higher Education Quarterly
- Physics Teacher
- Chronicle of Higher Education
- Assessment and Evaluation in Higher Education

Titles covered include:

- Studies in Higher Education
- Teaching in Higher Education
- Teaching Science
- Higher Education
- Australian Journal of Educational Technology
- Educational Sociology

WEB SCIENCE

http://www.wos.com

TIP: Discipline-specific databases should also be searched for articles on aspects of teaching and learning in different subject areas e.g. hopes for engineers and physicists.

KEEPING UP TO DATE

Most major databases (available via your library) allow you to easily save your search and get an email alert when new articles match your search criteria. You can also get tables of contents for your favourite journals delivered to your inbox. If you need help contact your Subject Librarian.
